

### SUMMER FUN FOR EVERYONE

Are you concerned that your child might lose skills or momentum during the summer break? Strong social skills and motor skills develop through practice, consistency, and repetition. We can help your child to continue to move in the right direction this summer with our intentional play-based group.

**Come Play With Us!**

Tuesdays and Thursdays 9:30-11:00

Children Age 4-6 years

June 11-July 17

\*No group on July 2nd and 4th

Cost: \$1620 (Ten, 90-minute sessions)

**\*A screening may be required if you child is new to us (\$300)**

#### GROUP DESCRIPTION

**We will use interactive, play-based learning through music, movement and creativity to enhance social learning, motor skill development, and sensory integration.**

- Small group size with a three to one child-adult ratio
- All activities are based on trusting relationships and PLAY
- Many activities use [Social Thinking®](#) principles and curriculum
- Use of gross motor activities and gym play to foster sensory and motor development
  - Use of fine motor activities to support prewriting skills and sensory exploration
- Introduction to familiar children's games and songs, school routines, and expected behaviors
